

CAPABILITIES OVERVIEW

Where Trust, Risk, and Intelligence Become Your Competitive Edge.

Revolution INTELL builds AI-powered systems that help mid-market private companies see risk before it becomes liability, move faster on decisions, and operate with the kind of institutional discipline that was once reserved for large enterprises.

Strategy + Build	Mid-Market Private	Trust, Risk + Compliance	Advisory to Deployment
Unique Model	Target Client	Focus	Delivery

<p>TRUST + RISK INTELLIGENCE</p> <p>Counterparty and Deal Risk Systems</p> <p>AI-powered due diligence, KYC/AML workflows, and counterparty profiling for firms operating in complex, cross-border environments where standard tools fall short.</p>	<p>COMPLIANCE INFRASTRUCTURE</p> <p>Regulatory and Audit Readiness</p> <p>Automated audit trails, compliance frameworks, and risk reporting that give leadership real-time visibility into exposure across all transactions and relationships.</p>
<p>AI AUTOMATION</p> <p>Workflow and Operations Intelligence</p> <p>Custom AI automation eliminating manual bottlenecks across sales, client onboarding, reporting, and internal coordination. Built to your process, not a generic template.</p>	<p>STRATEGIC ADVISORY</p> <p>AI Readiness and Transformation</p> <p>A clear roadmap identifying where AI creates the most leverage in your business, followed by the capability to execute it with a partner who actually builds.</p>

<p>ENTRY POINT</p> <p>Discovery Sprint</p> <p>Scoped engagement</p> <p>A focused diagnostic mapping your risk exposure, workflow gaps, and AI opportunity landscape. Deliverable: a prioritized action brief you can act on immediately.</p>	<p>CORE ENGAGEMENT</p> <p>Scoped Build</p> <p>Fixed scope and timeline</p> <p>We design, build, and deploy a custom platform. You own everything upon completion with no ongoing licensing, no lock-in, no dependency on us to operate it.</p>	<p>ONGOING PARTNERSHIP</p> <p>Strategic Retainer</p> <p>Monthly engagement</p> <p>Continued advisory, platform iteration, and AI governance support. Structured for clients who want a trusted partner at the table month over month.</p>

Most firms advise on AI or build with AI. Revolution INTELL does both with the discipline, discretion, and domain knowledge that mid-market companies need to make consequential decisions with confidence.
